わたしの意見

Grade: 3 Class: ___ No. ___

I don't think we should study English.
These are my reasons.
First, I won't go abroad.
Second, in Japan people usually speak Japanese.
Third, I don't like English.
Fourth, I don't like to study.

That's too bad, because your English is very good.
But that's your opinion, so it's ok! ☺
You gave four very good reasons. Nice work!!
